Black
UKH-325

The UKH-325 Utility Knife Holster has a durable Nylon construction and features two pockets. The universal holster works perfectly with most cutters and other accessories, helps employees retain cutters and also helps to increase productivity. Users can loop their belt through the holster for easy access to tools.

It also features a Velcro back to easily attach to most back support belts.

Features

- Nylon Universal Double Pocket Holster
- Helps employees retain cutters
- Increases worker productivity
- Holds additional tools, pens, or markers in second pocket
