

B911 - Hi-Vis Waterproof PVC Bag

Collection: Luggage

Range: PPE

Outer Carton: 15

Product information

This high visibility waterproof PVC kit bag is designed to meet the most enduring work and weather conditions, keeping your essential tools and accessories safe and dry, whilst remaining visible. An inner separate mesh compartment provides additional storage and quick access to essential travel and work documents. This bag can be carried by hand using the short handles or as a backpack by using the padded shoulder straps.

Luggage

The essential collection of versatile luggage pieces, suitable for travel, work or general everyday use. Robustly constructed with strong materials and resilient components. Reliability and durability guarantee 100% customer satisfaction.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.

Standards

Waterproof/Breathability (WP 20,000, MVP 9,000g/m²/24hrs)
