Product information

Our ever-popular t-shirt has been redesigned to deliver a stylish two tone version. This t-shirt combines the benefits of high comfort, easy care fabric along with additional practical colour blocking.

Cotton Comfort™

Cotton Comfort™ fabric is manufactured from a cotton rich fabric with cotton on the inside for comfort and polyester on the outside for maximum durability. The cotton polyester mix ensures that the fabric is highly breathable and that a comfortable temperature is maintained at all times.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.

Standards

EN ISO 20471 Class 2
